DT2 - FULL DAY WINELANDS TOUR (Daily)

This enchanting excursion begins with a tour through the historic town of Stellenbosch, an architectural jewel that serves as the historic heart of the country's wine region. A gracious blend of 18th Century Cape Dutch, Georgian and Victorian buildings is evident as we drive down Dorp Street, where massive oaks still shade original water furrows, then enjoy a wine tasting in the Stellenbosch area. We continue on to Franschoek, which owes its existence to the first French settlers who worked the valley in the 17th century.

Time will be devoted to exploring the town and the memorial to the French Huguenots. The memorial is set in lovely gardens against a backdrop of imposing mountains. Thereafter a visit is made to one of the fine wine estates of the Franschoek Valley, which is internationally recognized for the exceptional quality of their wines. Two wine tastings, a cellar tour and a visit to the Huguenot Museum is included.
